Subject: Feedback Analysis and Action taken reports from various stakeholders.

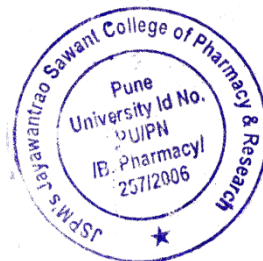

Reference: 1.4.2 Feedback on curricula and syllabi obtained from stakeholders is processed in terms of feedback collected, analyzed and action taken on feedback besides such documents made available on the institutional website.

Dear Sir/Madam,

The institute collects feedback from stakeholders. The feedback forms are designed by internal quality assurance cell together with Principal and head of departments. The feedbacks on various aspects are collected from Students, Teachers, Employers and Alumni.

The feedbacks received are analyzed and corrective action is taken at department level. The analysis of the feedback is made available on institute website for stakeholders.

Action taken report

On stakeholders feedback in the A.Y. 2021-22

Feedback from stakeholders:

The institute has structured feedback mechanism to obtain feedback from internal and external stakeholders through online mode / off line mode.

1. Feedback from students

From the analysis of the student's feedback taken in A.Y.2021-22 and it has been observed that students are satisfied with the syllabus as well as happy with appropriateness of proportion of weightages given to internal assessment and term end assessment modules .Student also appreciated with appropriateness of number and type of experiments in practical course.

Suggestions from students	Action taken
Provide Question bank of all subject and conduct the practice exam	Practice exam conducted topic wise for all subjects by exam section.
Visit to hospital should be arranged to understand the hospital service of the pharmacist	Hospital visit for the students is arranged to make them aware of work of the hospital
Arrange industrial visit to get industrial exposure	Industrial visit arranged class wise in different industries
Syllabus should include practical base approach more	The departments have been asked to Organize model/ Quiz/ Poster/Flash card competitions.
Conduct the GPAT test series for practice	GPAT test series were planned for students
Industrial training must be encouraged	Students of T.Y.B.Pharm. and M.Pharm. are permitted for industrial training.
Extra-curricular and co-curricular activities should be increased in number	College has planned for guest lectures and extra-curricular activities like
Need motivational speech	College has planned for motivation speech .

2. Feedback from Teachers:

From the analysis of teachers feedback taken in A.Y.2021-22 and it has been observed that teacher has given following suggestions:

Suggestions from teachers	Action taken
The regular industrial visit for the students should be arranged to get the knowledge of industrial work	Industrial visit are conducted every year . But because of COVID 19 pandemic we couldn't conduct industrial visits in 2020-21 as the industries were not allowing. One visit per year is arranged
Some interactive sessions other than regular academic should be arranged for the students	Interactive Session on "Clinical Research" conducting with Dysmech Clinical Services Pvt. Ltd, Pune.
Industry-institute interaction must be promoted	Industry visit is organized
Need faculty development program	FDP has been organized and inputs have been given. Few more guest lectures have been proposed.

3. Feedback from Employers:

College has planned for many guest lectures by industry experts on various topics. College has also planned for conferences and webinars to fulfill curriculum gaps and make students more competent for career in pharmacy industry. We are already conducted internship of F.Y.M.Pharm students In Allied Analytics Pune for the post of trainee research associate by online mode for six weeks .From this internship best of the performer will gate chance to work as research associate .

Suggestions from employers	Action taken
Conduct some skill development program in the college to improve the confidence of the student in interview	Training Session on "Soft Skill Development" conducting with GTT Foundation, Pune.
Need to include topic related to medical devices.	We would definitely invite industry people to implement guest lectures related to medical devices.
Need to expertise in software skills like Excel sheet and power Point Presentation	College has planned to sign for MOU skill academy training and placement activity

4. Feedback from Alumni:

From the analysis of Alumni feedback A.Y 2021-22 it has been observed that alumni has pointed that the more emphasis on basics of fundamentals so that student can easily crash the

GRE,GPAT . College has decided to conduct the guest lectures on basics of fundamentals for GRE,GPAT.

The college has planned to organize more number of industry experts lectures to bridge the gap between industry and curriculum. Also the department has planned to focus more on curriculum to improve the academic result and placement record.

Suggestions from alumni	Action taken
Practical projects should be included in the curriculum	Syllabus of UG revised by PCI and projects included in UG syllabus
Increase industry-academia tie up to get industry oriented knowledge and learning scheme should be enhanced.	The college signed MOU with industry / laboratories. Some of the
The more emphasis on basics of fundamentals so that student can easily crack the GRE,GPAT.	The college has planned a guest lecture on How to crack the GPAT exam.
